

Temple Israel Religious School

2022-2023 ☆ 5783

OUR MISSION

To inspire and nurture students in forming their Jewish identity and love of Jewish life, while providing a strong understanding of Reform Judaism. We do this through the teaching of Jewish history, culture and values, along with Hebrew, prayer, spirituality and Jewish life cycle – always while deepening our connection to the land of Israel and its people.

Our Religious School provides an opportunity for friendships and community-building in an environment that welcomes and nurtures students and families, and encourages active participation. Our focus is to make learning attainable to all and to foster a love of Judaism and the Jewish people.

PROGRAM HIGHLIGHTS

- ☆ Small group interactive lessons by grade and skill level
- ☆ Grounded in Tikkun Olam and Social Action
- ☆ Experiential learning approaches and focus on our students' interests. We use Chai Curriculum and Shalom Learning, top-rated programs.
- ☆ The latest technology to reinforce and teach both Hebrew and Judaic concepts
- ☆ Monthly Social Action Projects that benefit our community both inside and out of the Temple

Our Religious School curriculum includes Jewish values and traditions on Sunday mornings for grades K-7. The use of Hebrew prayers and texts provides context to the holidays and liturgies. Our older students in grades 4-7 receive additional Hebrew lessons one afternoon during the week.
